Dear Mr. Atkins,

The Browning School staff and students would like to thank you for your participation in our Career Awareness Program. Without your participation our program would not have been a success.

Our students were very glad to have you share with them your expertise and experiences in your particular field of endeavor. I'm sure they now have a better understanding of some of the careers that they can pursue for their future.

Thank you again for your assistance and cooperation. You've shown the true spirit of service which is greatly appreciated.

Sincerely,

*Victoria Emmerson*
