Dear Ken:

Welcome to Catholic Knights! This letter is intended as confirmation of your temporary employment in our Information Systems Department and contains some additional information that you will find helpful. Of course, employment is contingent upon the successful completion of the background and reference check as you and Kathy Ochocki discussed on the telephone.

As we have agreed, you will begin your assignment in the Information Systems Department on Monday, May 8, 2006. Your wage will be \$20.00 on an hourly basis. We have agreed to a schedule of a minimum of 40 hours per week, 6:00 pm - 2:00 am. We appreciate your willingness to work additional hours on the nights when operations runs past 2:00 am.

Due to the nature of your employment, benefits such as health insurance, group life or other insurance are not available. Of course, there are other benefits including the use of the pool, fitness room and various social events you may be interested in attending. Free parking is provided in our attached structure.

There are some legal issues we need to cover in this letter. As an Employee-At-Will, employment is not bound for any specified period of time by either party. However, we tentatively plan on your assignment lasting through August, 2006.

Enclosed is the form I-9 that new associates must complete in order to comply with the Immigration Reform and Control Act. Certain documents will have to be furnished that show proof of identity and eligibility to work in the United States. In order for us to comply with this law, please submit this form and the documents to Human Resources within three days of the start of your employment. If you have any questions on this required procedure or the law, please contact Kathy Ochocki in Human Resources.
