Holiday Inn Milwaukee Northeast 5423 N. Port Washington Road Glendale, Wisconsin 53217

Congratulations are in order on the outstanding conditions of your entire kitchen. I get very excited when I see the high degree of cleanliness and organized areas.

What I saw on July 27, 1978 was by far one of the best areas I have seen in the Milwaukee District.

It should be passed on to all your kitchen employees that their hard work has not gone unnoticed.

Now that we have got this far, let's keep it going and furthermore expand what we have done so far to all those hidden areas.
